The Spirituality of St. Ignatius of Loyola is wonderfully contemporary in its emphasis on helping busy people find intimacy with God, not by leaving the world, but by living in the world more reflectively, more with Jesus and for others.

This retreat is a 34 week web based immersion in that spirituality. It follows the patterns of the *Spiritual Exercises* of St. Ignatius.

For many years Creighton faculty and staff have made this retreat in groups, which meet monthly. Come and learn more about what this can offer you and how it works.
